La Danza del Duero

It surprised its flagship wine, Rond de Jambe, a French touch that disturbs the consumer to decoding its meaning. Arduous task, since the first consultation takes you to a dance move. After checking that the wine is made in a cellar Piñel de Arriba (Valladolid) left alone understand the relationship of wine, dance and Duero. A trilogy that is explained by the dream of Jesus Arbás: make wine in Ribera del Duero.

OUR PHILOSOPHY: DEVELOP A REAL ESTATE WINE, REFLECTING THE TRUE CHARACTER OF OUR LAND.

IN THE CELLAR THREE PARAMETERS ARE KEY:

RESPECT TO THE ENVIRONMENT.

METICULOUS VITICULTURE

CAREFUL ELABORATION
