Wine Making

Following an optimum blooming after a dry, mild winter, the light August rains delayed the intermediate stage of ripening. A September with no rainfall led to a perfect, balanced final growth of the grape.

Starting from perfectly ripe grapes in their ideal state, exclusively from the sub-area of the Condado del Tea, meticulous pressing gives an excellent quality must.

Fermentation of the alcohol takes place in stainless steel vats, at a controlled temperature of 18°C; when fully fermented, all the wines are decanted to separate the dregs, followed by the “coupage” of the various vats. The wine is then stabilized by applying cold, filtered and bottled, after passing through a microbe-free filter process to ensure that the wine is preserved in the bottle in perfect condition.

Wine-tasting

Clear, brilliant wine, straw yellow coloured with green nuances. An intense aroma on the nose, perfectly combining the fruity and floral notes, particularly apple and stoned fruit (apricot). Freshness on the palate typical of Albariño, with a touch of acidity perfectly balanced with the structure and body of this wine. Meaty, sweet with a glyceric finish.

“Medium straw-colored, with a slight amber tint. It gives up a pleasing perfume of mineral, baking spices, lemon and other citrus notes. Medium-bodied, it reveals excellent depth, some richness, savory fruit and lengthy finish. Drink it over the next 3 years”.

“This white is broad and dense, delivering pear, melon and tarragon flavors, with leesy and briny notes, supported by firm, smoky acidity. Balanced, bold and rich. Drink now through 2020. 25,000 cases made.”

The Wine Spectator. August, 2017

“Stony lime aromas are lightly floral and appealing. This feels smooth and slightly round despite showing firm acidity. Nectarine and melon flavors end with lasting minerality and a stone-fruit character. As per usual, As Laxas doesn't disappoint”.

“Youthfully bright with lemon and peach notes, this has a darker tone of flinty reduction. That edge of flint firms up the unctuous texture”.

“Light, bright yellow. Intense, high perfumed citrus and orchard fruit scents are complicated by white pepper, chalky minerals and jasmine. Concentrated yet lithe and precise, offering bitter pear skin, orange zest and honeysuckle flavors that flesh out with air. Shows excellent focus and cut on a long, incisive finish that leaves dusty mineral and floral notes behind”.
