### **Description:**

**VISUAL:** Deep cherry-red colour with beautiful bright red hues and long legs.

**SMELL:** Excellent complexity starting with blackberries and damson, liquorice, balsamic, minerals, leather aromas and continuing with spice as cedar and nutmeg, chocolate, coffee and toffee notes.

**TASTE:** Rich and voluptuous on the bouquet. As it names suggests, the nobility of this wine is experienced from the very first sip to the long, lingering, and velvety finish.

### **Winemaker's Notes:**

Tempranillo grapes used in this wine come from a selection of three vineyards older than 70 years. After being hand-harvested and undergoing cluster selection in the vineyards, the grapes are destemmed and go through gravity-controlled tanks, with two days of cold-skin maceration prior to fermentation. An additional two months of maturation follow, with malolactic fermentation taking place. Egg white clarification. The wine is aged for a maximum of twenty-one months in new barrels (100-percent French oak). It is then aged an additional one year and a half in bottle before leaving the cellar.

The 2010 harvest is characterized by a short yield production with excellent climatology conditions especially during summer, more sun and temperature than average. That makes this vintage special and give to the wines an intense color, a sweet tannin, adequate pH and acidity for aging into barrels accompanied by a proper degree of alcohol.

### **Serving Hints:**

This wine is ideally served at temperature (16°C) to accompany steak, venison and other hearty fare such as stews and roast, as hard cheeses as well.

**Recommended consumption time from now until 2030.**
