📍 REGION
In the last 30 years, D.O. Ribera del Duero has emerged to challenge for the crown of Spain's greatest wine region. Located in Spain's northern plateau, it covers four of Castilla y León's provinces – Burgos, Segovia, Soria and Valladolid. But, unlike its name-sake, it does not cover all of the River Duero that unites more than 100 villages. Ribera del Duero was granted its D.O. in 1982. Today it has over 170 wineries and over 18,000 ha of vines. Most of Ribera del Duero's production is red with only a modest quantity of rosado produced. No white wines are allowed under the D.O. The region is characterised by a largely flat, rocky terrain.

🍷 TASTING NOTES

i TECHNICAL INFORMATION
The grapes are carefully selected. The must undergoes a cold maceration (for 2 days) followed by fermentation at a controlled temperature between 24-26°C to ensure the optimum maximum aromatic potential. Finally the wine is aged for 14 months in new American oak barrels before bottling. The bottles are then aged in our cellar for 9 months.
